**System Requirements:**

1 GPU Minimum System Requirements: Hello, and welcome to another look at Destiny 2. The September monthly update is here and contains 2 new features, the Strike-based Raid Finder and more missions! This month, we wanted to take a closer look at the impact that the new Raid system has on Destiny 2, and how that's impacting our existing Raids. Raids used to feel more like solo content in Destiny, with limited group size and needing to farm together. However, with the introduction of new Raid content, Raids
